

It's Summer School enrollment time! Apply by April 30.

SCUSD is inviting currently enrolled TK-8 students to enjoy a summer of fun academic and enrichment activities with our FREE SummerMatters programs! Students from any school may apply to any of the 27 available sites based on their grade level.

- Instruction by credentialed teachers for academic intervention TK-8
- Middle school participants will engage in sports camps and academic enrichment activities
- Academic & enrichment bridge program opportunities for incoming 9th graders
- Structured learning experiences and special events
- Physical play and exercise
- Building positive relationships
- Free breakfast

Extended School Year (ESY) and High school options, including Summer at City Hall and credit recovery are available.

Dates and times vary by program.

Visit youthdevelopmentscusd.org/summer-2025 to learn more, see the list of available school sites, and apply by April 30th.

Parents and guardians will be notified between May 12 -June 6 if space is available for their student in a Summer Matters program. Only for students currently attending the 24-25 school year at SCUSD.
